Beginners Class:

In an effort to attract more newcomers to the sport, we now incorporate a very successful beginner's class in all HDBC Rallies. This will cater for riders on rally, enduro and trail bikes. Riders will have to cover shorter mileage, Usually 2 laps instead of the 3 laps for the other classes, so ideal for those who don't feel capable or are a little unsure about being able to cover the full distance. You will also have slightly more time to complete each lap. All those that group themselves between 8 – 10 on the grading scale on the entry form will automatically be put into the beginners class.

Entries:

Entry fees of £70 will not be returned unless the event is cancelled or the rider gives a valid reason, i.e. Doctor's note, at least 7 days prior to the event. In such cases £10 will be deducted to cover costs.

Entries to be completed ONLINE ONLY, using the ACU system, (Follow link from website) ensure your email address is correct as this will be used for final instructions etc, Entries close 1st November or when full (**180 Riders**).

NO LATE ENTRIES WILL BE ACCEPTED.

To compete, an ACU licence is required. A one event licence can be purchased with your entry. You must produce your licence at signing on, if you fail to do so you will be required to purchase a one event licence at the charge of £15.
